## Chancellor's Circle

NC State recognizes and values our relationships with all donors who, through their leadership gifts of \$1,000 or more annually, provide tremendous impact. Your annual membership is based on household cumulative giving of \$84 per month or \$1,000 or more during a single fiscal year, which runs from July 1 through June 30. Corporate matching gifts count toward membership. Members receive special communications and event invitations throughout the year.

Please send me more information about the Chancellor's Circle.

## Matching Gifts

If you or your spouse works for a company that matches gifts to higher education, you can double or triple the value of your contribution by following matching gift procedures. Many companies match the gifts of spouses, retirees, and surviving spouses of retirees in addition to gifts from current employees and affiliates. Please contact your personnel or human resources office for eligibility information and to obtain a matching gift form. Visit [matchinggifts.com/ncsu](http://matchinggifts.com/ncsu) to see if your company matches gifts to NC State.

My spouse or I are eligible for corporate matching gifts. \_\_\_\_\_
